Subj: Revitalization Long-Range Plan FAQs

Date: May 27, 2021

Thank you again for participating in the presentation of ideas for the Long-Range Revitalization Campus Plan. Seth Beaver and the Lenhardt Rodgers team did a tremendous job compiling your feedback and guiding us through the extensive options. In addition to the recorded Zoom meetings, attached are the Frequently Asked Questions (FAQs) for your reference.

As we near the end of our timeline, the team will refine the plan, present it back to all residents, then to our Board for approval.

The time you invested in collaborating on a campus-wide plan that meets our shared goals, including sustainability, connectivity and engagement, technology, and preserving inspired and simple spaces, is appreciated. It is an exciting time at KCC as we focus on positive initiatives that will strengthen our community as a great place to live and work.

Regards,

Lisa M. Marsilio
