Regular meetings: 2<sup>nd</sup> Tuesday/Sept thru June 1pm Zoom  
(day/month) (time) (room)

Statement of Purpose/Mission The mission of the Crosslands Energy Committee, working in conjunction with the KCC, is to develop and ensure implementation of plans for a 50% carbon footprint reduction by 2030, and for carbon neutrality by 2050 (in accord with the Paris Agreement goals).

It selects, promotes, and carries out resident programs to conserve energy and sustain the environment. The Committee also encourages the Kendal-Crosslands Communities staff and board to institute energy conservation and sustainability programs.

Write a brief report of activities this year including important Issues faced.

We:

- Updated “Ways to Save Energy, and Recycling” with Welcoming Cttee and briefed new Residents until Quarantine forced us to pause.
- Developed “The Climate Crisis is Arriving” position paper in conjunction with the Climate Working Group and Kendal’s Energy Committee - sent to Joe Biden’s campaign team.

- Participated actively in Board Property and Stewardship Committee promoting energy conservation features including solar arrays on Woolman and Mott site locations.
- Supported Climate Working Group to expand on energy and related awareness. Participated in inter-Affiliate telecons.
- Performed comparative evaluation of alternative HVAC concepts.
- Supported Reusability awareness including photographs of acceptable recyclable categories.
- Maintained Energy Committee Meeting schedule using Zoom when Crosslands was quarantined.

Energy Committee Officers have been elected to serve effective July 1,

They are

Chair:	Ben James	Apt. 196	Phone 610-469-9614
Vice-Chair:	Dick Haden	Apt. 444	Phone 610-459-0270
Secretary:	Barbara Grove	Apt. 132	Phone 610-544-8283

Staff participation will be

Director of Facilities: Roy Manno

Alt. Steve Madsen
