

Energy Committee Report

Date Submitted: 6/14/2021

Chairperson(s): Dick Kline, Chair; Ben James, Co-Chair

Members:

Mike Bennett; Barbara Grove; Spencer Ervin; Nancy Evoy; Elaine Frost; Dick Haden; Pete Lane; Andy Palmer; Jack Williams. Ex-Officio: Seth Beaver; Steve Madsen; George Alexander; Owen Owens

Accomplishments:

- Updated “Ways to Save Energy, and Recycling” with Welcoming Committee and briefed new Residents until Quarantine forced us to pause.
- Developed “The Climate Crisis is Arriving” position paper in conjunction with the Climate Working Group and Kendal’s Energy Committee - sent to Joe Biden’s campaign team.
- Participated actively in Board Property and Stewardship Committee promoting energy conservation features including solar arrays on Woolman and Mott site locations.
- Supported Climate Working Group to expand on energy and related awareness. Participated in inter-Affiliate telecons.
- Performed comparative evaluation of alternative HVAC concepts.
- Supported Reusability awareness including photographs of acceptable recyclable categories.
- Maintained Energy Committee Meeting schedule using Zoom when Crosslands was quarantined.
