

Culinary Services Advisory Committee Report

Date Submitted: 05/26/2021

Chairperson(s): Chair: Tonie Franz, Co-Chair: Joyce Hurt

Members:

Both KCC and Crosslands staff and Crosslands residents comprise our committee.

Residents: Emilie Barber, David Camp, Barbara Hoke, Sharon Mitchell, Jane Murray, and Diana Stevens

Staff: John Platt, KCC Director of Culinary Services; Colin Moran, KCC Executive Chef; Darlene Parrett-Harris, Crosslands Culinary Services Manager; Tracy Sedlak, Crosslands Café Supervisor; Casey Spizarny, Crosslands Dining Room Supervisor

Accomplishments:

- Our most important activity is the monthly review of residents' comments about culinary items. The number of comments varied each month during COVID restrictions, but comments were overwhelmingly appreciative and supportive of the Culinary Staff. If we saw a trend in requests for improvements, we discussed this with the staff and worked together to provide a requested item or improvement. John discussed the many flavors of food service and delivery during COVID restrictions with the committee and his team handled every new pivot with high spirits, creativity and professionalism.
- Two years ago, we developed General Guidelines for membership. This year we developed Guidelines relating to the Chair of the committee. There is a suggested term limit of 2 years. Tonie Franz will be stepping down after the June 2021 meeting and Joyce Hurt will be the next Chair. Joyce asked Diana Stevens to be her Co-Chair.
