

WELCOME TO EZFACILITY

**HOW TO USE THE MEMBERME+ APP
STEP BY STEP INSTRUCTIONS FOR
DESK TOP COMPUTER OR
YOUR SMARTPHONE / TABLET**

The Fitness team would like to show you how to use your desktop computer or smartphone with EZFacility and the MemberMe+ app.

Our software is called EZFacility. We have been using it in the Fitness and Aquatic facilities in both communities. This is how we are able to keep our attendance. We also have the capability to send notifications to you, as necessary.

We will be using this specifically the Water Volleyball sessions at Crosslands.

You can either use your desktop computer, smartphone or tablet to download the app.

You will receive an email from us requesting that you download the app. The email will be from EZFacility and looks like this:
