**Members:**

No others. A volunteer is needed to assist in proofreading the annual 3-page document for accuracy.

**How many Crosslands residents benefit from this committee's activities? How often?**

- The Committee's mission is to maintain and annually distribute a 3-page residents' directory that is alphabetized according to first names or nicknames (depending on the resident's preference). Resident feedback is not formally collected, but appreciation of this list is received frequently.

**Accomplishments:**

- During the past year, the committee:
  - -- maintained an up-to-date version of the First Names List;
  - -- placed an article in the Chronicle and a draft copy on the bulletin board in early October 2022 to solicit review/corrections by residents;
  - -- repeated this process in December because the review copy was stolen from the bulletin board in October;
  - -- amended the draft in January 2023 and distributed copies to open boxes of residents in IL and Audland;
  - -- provided replacement copies via email, upon request, to individual residents and the Welcoming Committee.
